

- 19) Research
- 20) Search
- 21) Techniques used in ESP
- 22) Telepathy / mental transference
- 23) Terminology
- 24) Theories of ESP
- 25) Viewing (remote viewing)

d. **FORMAT:** Both data entry and information retrieval will be accomplished using the an input screen similar to the following (new fields may be added as the program is finalized):

```

|| TITLE: _____ ||
||
|| AUTHOR: _____ DATE: _____ ||
||
|| PUBLISHER: _____ IN OUR LIBRARY: _____ ||
||
|| ENTRY DEALS WITH: (Place an X in every category which applies) ||
||
|| Animal ESP   Auto.Writing   Bilocation   Biological   ||
|| Channeling   Clairvoyance   Dowsing     ESP aids    ||
|| Evaluation   History       Levitation   OOBE        ||
|| Persons     PK           Poltergeist  Prediction   ||
|| Reincarnat   Research     Search      Techniques   ||
|| Telepathy    Terminology  Theory      Viewing     ||
  
```

1) Data entry will be accomplished by filling out the blanks with the appropriate data and appending the record to the database.

2) Information retrieval will be accomplished by filling in those fields which are desired or known and pressing a request button for the record, the list of records, or for a notice that no such record exists.

5. **PROJECTED WORK SCHEDULE:** The following proposed time schedule should allow for unforeseen interruptions:
